Onam Recipes

Authentic South Indian Sambar

Sambar is a tangy, spiced South Indian lentil curry. This nutritious dish pairs perfectly with rice, idli, or dosa.

Ingredients:

1 cup toor dal, 3 cups water, 1/2 tsp turmeric powder, 1 tablespoon Sambar Powder, 1 tablespoon oil, 1 medium onion, 2 medium tomatoes, 1 cup okra, 1/2 cup drumsticks, 1/2 cup eggplant, 1/4 pumpkin or bottle gourd, Tamarind, 1 lemon sized ball
Tempering : 2 tablespoons of coconut oil or sesame oil, 1 tsp mustard seeds, 1 tsp cumin seeds, 2-3 dried red chillies, 10-12 curry leaves

Cooking Method

pressure cook toor dal with turmeric until soft, then mash it smooth. Combine sambar powder with soaked and strained tamarind extract. Sauté vegetables, starting with harder varieties, followed by tomatoes before incorporating the mashed dal, tamarind extract and turmeric powder, and seasonings, simmering until thickened. Finish by topping with a hot oil tempering of mustard seeds, cumin, and curry leaves.

Paalada Payasam: A Traditional Kerala Delicacy

Staple at festivals, weddings, and special occasions, known for its luxurious texture and comforting taste.

Ingredients:

1 cup rice ada (paalada/rice flakes), Water, salt, 1 ltr milk, 1/2 cup sugar, 1/4 cup condensed milk, 1/4 TSP cardamom powder, 2 TSP ghee, 10-12 cashew nuts, raisins

Cooking Method

Boil the rice ada in water for 15 to 20 minutes until soft and translucent, then drain and rinse it with cold water. Meanwhile, bring milk to a boil in a pan and simmer it for 20 to 25 minutes until it reduces to three-quarters of its volume and turns creamy. Next, fold the cooked ada into the reduced milk and simmer on low heat for 10 to 15 minutes. Stir in the sugar, condensed milk, cardamom powder, and a pinch of salt, cooking for another 5 minutes before finishing with cashews and raisins fried in hot ghee.

Avial: Coconut-infused, wholesome mixed vegetable harmony

Thick, traditional South Indian dish made with mixed vegetables, grated coconut, yogurt, and seasoned with fresh curry leaves.

Ingredients:

1 cup drumsticks, raw banana, yam, pumpkin, carrots, green beans, snake gourd or bottle gourd, 10 okra,
For the Coconut Paste- 1 cup fresh coconut, 2-3 green chillies, 1 tsp cumin seeds, coconut oil
For Seasoning- 8-10 curry leaves, 1 tbsp coconut oil, Salt to taste, 1/2 cup thick coconut milk

Cooking Method

Cut all vegetables into uniform strips or pieces. Make the coconut paste — Coarsely grind the coconut, green chillies, and cumin seeds with a little water. Set aside. Cook the vegetables — Heat 1 tbsp coconut oil in a pan and splutter the curry leaves. Add vegetables first, sprinkle salt, and add just enough water to barely cover. Cover and cook 5-7 minutes. Cook another 8-10 minutes until tender but not mushy. Add the coconut mixture — Reduce heat to low, fold in the coconut paste, and cook 3-4 minutes. Stir in the thick coconut milk and simmer 2-3 minutes — do not let it boil. Final seasoning — drizzle coconut oil with a hot oil tempering of mustard seeds, cumin, and curry leaves.
